HOLSTEN GALLERIES
SOFA CHICAGO 2008

Holsten Galleries is very proud to be offering its 11th annual one-person Chihuly exhibition at SOFA-Chicago. This year we are celebrating the 30th anniversary of the gallery and 25 years of representation of Dale's work. As in past years, the exhibition will include architectural installations, individual sculptures and drawings. This year we are showing four new exciting Chandeliers. A large part of the exhibition will concentrate on new Tabac Basket pieces. This series premiered this summer at Chihuly's acclaimed one-person show at the DeYoung Museum in San Francisco. We look forward to this being perhaps our most exciting Chihuly exhibition in Chicago.
